NEWS LETTER

Dear Parents /Guardians

We are glad to inform you that the Second term of the 2023 academic year has successfully come to an end. Management is thankful to parents for their co-operation in all activities for the academic year. We also express our heartfelt appreciations to parents who supported the school in diverse ways during the term and pray God will reimburse them for their love for the school.

We use this opportunity to thank you all. The following are the information you may need for next term.

SECOND TERM VACATION = THURSDAY 29TH JUNE, 2023

RE-OPENING FOR THIRD TERM 2023 = TUESDAY 11TH JULY, 2023

GENERAL FEE PAYMENT

General payment of school fees for the term was encouraging. We do not take delight in sending the children home, yet we are forced to take such action since it is the only way by which parents respond to the payment of fees. We entreat parents to desist from such behavior because children feel embarrassed when sent home and are left behind in studies. We hope parents will be prompt in school fees payment to avoid such embarrassment next term. Thank you.

SCHOOL FEES PAYMENT PLAN AT GRACE LIFE INTERNATINAL SCHOOL

- **50 %: At Reopening**
- **75 %: After Mid Term Break**
- **100 %: Two Weeks to Examinations**

All FEES ARE TO BE PAYED THROUGH MOBILE MONEY

Number: **0597208008**

Name: **GRACELIFE INT. SCHOOL**

NB: All payments should be referenced with your wards name.

No money will be collected at the office except bus and feeding fee.

FEEDING (No Payment No Food)

Payment of feeding fee was not encouraging this term. Management has made a decision not to feed any child who do not bring money or have not paid by mobile money. Unless you call the office to inform us. Kindly take note of this. We are urging all parent to pay their feeding fee debts all arrears for feeding will be written in their reports sheets. We encourage parents to make paying of the feeding fee daily to prevent debt.

UNIFORMS AND FOOTWEARS

It has come to our notice that learners wear unprescribed uniform or any attire to school, which will not be accepted next term. We have our pre school uniform and primary uniform learners are to desist from wearing the blue check at the primary level. The school has three uniforms now and there are days assigned to each of them. **Kindly take note because it will be strictly enforced next term any learner who goes contrary to this will be sent home.**

DAYS	UNIFORM
Monday, Tuesday and Thursday	School uniform with black shoe white socks
Wednesday	Lacost with blue jeans
Friday	Friday wear with sneaker

LATENESS TO SCHOOL

Management also observed that children came to school late in the term, some parents walk in with their children at 8:30am and sometime 9:00 am. This is against our code of discipline and will not be tolerated next term. Parents should take notice of this and advice themselves accordingly.

SCHOOL BUS

The bus fee remains GH¢ 8.00 for those in Danfa, Kweiman, and Ayimensa environs and GH¢ 10.00 for those beyond the areas named above. We encourage that bus fees are paid at the beginning of the term to prevent any embarrassment. Please note that the bus is now being run on **“Pay before you board”** terms.

OPEN DAY

We invite you to the school’s **Open day** which will be on **Thursday 10th August 2023** We plead with you to kindly add it to your schedules to attend since this is an opportunity to know the performance of your ward by interacting with his/her class teacher.
